DY3/DY5

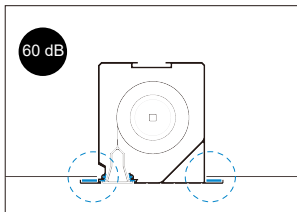

Ultra Clear Image Quality

HIDETECH SERIES RECESSED CEILING MOTORIZED TAB-TENSION ALR SCREEN

The Grandview Hidetech Recessed Ceiling Motorized Screen is a popular choice for home installations due to its unique hidden design. The screen can be easily concealed in the ceiling, making installation quick and effortless. The solid shell decorative plate combines practicality and aesthetics without detracting from the room's visual appeal.

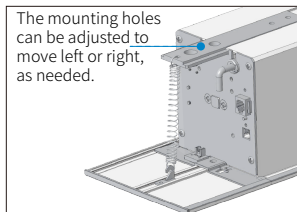

With the Grandview ALR screen, ambient light won't affect the viewing experience, making it the perfect addition to any home cinema setup.

- With the Physical Anti-Light structure, the ambient light resists when in day use.
- 4K/HDR projection compatible
- 140 Wide Viewing Angle(Panoramic View)
- Multiple Control (RF/IR/Trigger /Button Control)
- Friendly mounting installation system
- Optimized for UST Projector
- Applicable scene: family living room, small office

All-in-one Casing with noise reduction design

The rubber strip between the casing and the ceiling is designed to absorb operational vibration and minimize noise.

Aluminum Alloy Decorative Ceiling Cover

The ceiling decorative cover features a pop-up closure spring design, which is stylish looking and makes it easy to remove.

Patented Spring – sealed System

With an adjustable auto tension system, the screen is taut and tensioned at every point for a perfect projection surface.

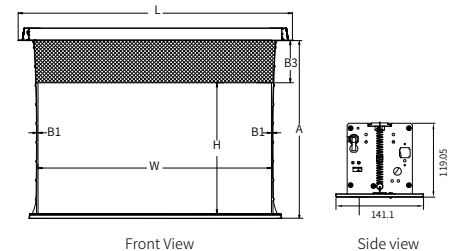

Built-in high torque Remote control Quite Motor

- * Smooth and Stable Operation
- * Lower Noise ($\leq 45\text{dB}$)
- * Precise Positioning
- * Durable
